With around 70 different classes, there's something for everyone so why not take part. Whether you're proud of your **jam**, overjoyed with your **blooming potted plant** or just ultra-competitive with **Victoria sponges**, please join in. We even have classes for **exotic fruit**, **handmade jewellery** and **gouache painting** as well as the chance to win a cup for the best **photograph**. As you would expect, judging is taken seriously, with some of our judges having the privilege of judging on a national basis. We provide the judges with a calm and peaceful atmosphere in the marquee for the judging, during which they cannot be disturbed. It is for this reason that **no entries are accepted after 9.45am** and that public entry to the marquee is not possible during the judging process.
